PLAYER'S RESPONSIBILITIES AND ETIQUETTE

Familiarize yourself with the rules of golf etiquette and local rules.

Play ready golf and try to play within the designated time established for Cottonwood Golf Course.

Record scores at the next tee box. Each cart should keep score to be tallied and compared in the parking lot at the end of play. After posting scores, the captain will turn in the signed and attested card to the envelope on the bulletin board (for Tournament Chairman).

Scores for rounds other than Niners tournament scores may be entered by the player on the posting board.
