

Good Morning Ladies,

We have a great week in store for us. It is the beginning of the club championship and New Year salute at our wine tasting social following golf this Thursday. There is some indication that there might be rain, but I am hopeful it will pass. However, in case it does rain, we still will be having our wine social on Thursday at 3 pm. A ticket is required to attend.

Game of the week: Our game this week is round One o the Club Championship which is a lpw gross and low net tourney with winners for low gross and low net in each flight.

Last week results are posted on the board in front of the pro shop or you can always check on our website, www.cottonwoodlady9ers.com. No password is required for this part of the website.

Member Guest: Planning for this event is underway and the committee chairs are posted in the back room at the pro shop. If you would like to volunteer to help on a committee, please contact that chair person ASAP. They are looking for some helpers. As a reminder, this is a member guest tournament so two lady 9ers cannot not be a team of two. Or simply, a paid lady 9er cannot be considered a guest. There will be more on the sign up registration in next week's news blast.

Quote of the Week: "It's good sportsmanship to not pick up lost golf balls while they are still rolling." [Mark Twain](#)

See you Thursday. Have a great week.
