

Good Morning Ladies,

What a great a week we had at the Lady 9ers. In case you were not in attendance, it started off with a celebratory toast to our new State Medallion champions Sheila Axtman and Laura Carothers who retained the trophy for the Cottonwood 9ers. Not only did they win their flight (flight two) they won the overall championship. A special thank you to Eden Carter and Pauline Corcoran who also represented us at the state medallion. The day continued with the first round of the Club Championship followed by a very well attended wine pairing social event. Thank you, Sharon Howard, for organizing.

Game of the week: Our game this week is round two of the Club Championship which is a low gross and low net tourney. If you played the front last week, you will play the back this week. Of course, you can always play and not be in the club championship. The pro shop will have our day one results posted on the big board outside the shop on Thursday so we will not be sending out results until after round two is completed.

Member Guest: Okay, my bad. I was one week ahead when I announced that signups would start on Thursday this week at Noon on the patio outside the pro shop. It was originally scheduled to be Thursday, January 30. Leeanna Mickelson, chair of the member guest, has graciously offered to do signups this Thursday and next Thursday at Noon so you will have two opportunities to sign up. Leeanna is attaching the signup for this to the email blast. Print and fill out with your twosome or foursome to turn in before the meeting Thursday. Priority is given to those with guests and singles can be added to a wait list. Those who will be coming this Thurs & next to sign up before golf will need to **have payment for themselves and their guests**. She will also provide an update to the planning efforts at our meeting Thursday.

What a great group of ladies we have, more new members are joining our family and we hope you are all enjoying being a very special Lady 9er.

Quote of the Week: Thought we could relate to this: Bob Hope sayings on the game of golf; "I went to play golf and tried to shoot my age, but I shot my weight instead." Sounds like me last Thursday! Have a great week.

Glenna Twing, President
