

Hi Ladies,

What a wonderful start to our new season. Sorry and apologies to the "C" group. We now have the entire course so that will not happen again. This week our game is a 4-person scramble, no minimums, just best ball from tee to hole.

Our welcome back luncheon is our big general meeting for the entire year. I hope you have all signed up and will have new pictures for our directory. Speaking of directory, please get your membership form in ASAP if you have not already done so. We need correct emails for the directory and weekly news blasts.

Week one game results will be presented and posted on Thursday, as well as a survey regarding our member-Guest tournament this year.

See you Thursday – 11:30 in the Saguaro Room in your pink shirts!!
