

THE NINERS LIVE ON!!

In light of the recent development with the golf course going to tee times as of March 30, I confirmed today that Cottonwood golf course will block off tee times starting at 1 pm for the Niners on Thursdays. What this means is that we will be able to have our same games, we just won't have a shotgun start. We will probably all tee off within an hour's time. You still need to sign up on Chelsea for a 1 p.m. tee time.

Today's game is on and is still a 1 o'clock shotgun!

I will provide more information in my communique on Monday as we get more details if we want to make any changes.

Thanks, so much Des and Travis. Nothing can stop us, not even a Pandemic! However, let's remain diligent in our individual efforts to stop this horrible crisis and get back to our normal lives.
