

Hi, it's me again! Not much news to report. Hope all are staying healthy and safe.

Game of the Week: this is week two of the "eclectic tourney". This week you will record your full score on all holes. Compare your score to last week, by hole, and take the best gross score on each hole. Good news is you can only do better not worse. Even though you can not improve **do not pick up**. Play your ball out so we can post your score. Again, remember the dots on the card are not for you to determine your score but for our handicap committee to adjust any scores before they post

Weekly Patio Meeting: weekly meetings, raffles, and chip ins have been postponed until further notice. This communique will be posted outside the pro shop and on our website.

Season Final Meeting: has been cancelled. We will do a Celebration Welcome Back Brunch in November honoring our member's achievements! The new date is **November 19!!** Can't wait to see everyone again after these trying times and probably a long summer.

Anniversary Shirts: The second order of shirts are on the way. If you responded to me to order, please put your check for \$25 paid to the Cottonwood Lady 9ers for \$25 in the envelope in the back room of the pro shop. Out of town? Please send me a check, my address is in the directory. I did have to order a couple of extra shirts so let me know ASAP if you want a shirt, I might have one just for you.

Remember, if you signed up to golf and are not playing, please cancel with the pro shop.

Hope these tee times are working for you. We will continue through the rest of the season, so sign up on Chelsea. Also starting next week, we are back on schedule as to the game of the week that was published in our annual golf book. Remember, take your own cart and no congregating before or after. We want to be certain the golf course stays open.

Thought this was pretty funny so a little humor this week: "It took me seventeen years to get three thousand hits in baseball. It took one afternoon on the golf course." — *Hank Aaron*

Stay well and let us now if you need anything (except money and booze- we've already used all of that).

Glenna Twing, President
