

Hello Ladies,

Another beautiful day in paradise, let's **hope** we all can enjoy fully in the very near future.

**Game of the Week:** we changed up the game this week to something friendly and not individually based! Hooray! So, we are playing a modified #2 scramble which is simply a regular scramble where everyone tees off, you use the best ball, everyone hits from there – use the best ball and this continues until the ball is holed out. The “modified #2” is that you can not use the same person's drive twice in a row. So, a little strategy here ladies! Additionally, if you are a team of three you will play as a threesome. You will not hit an extra ball and we will not have a blind draw or a ghost partner. You will simply use your three handicaps and divide by three. **Remember, the only exception is you cannot use the same person's drive twice in a row.** This is a team **net** game and we will be paying the top three places in each flight.

**Pro Shop Chits:** Just a reminder, any monies that you won this year from the 9ers is paid in the form of pro shop credits. These **credits need to be used by May 31.**

**Weekly Patio Meeting:** weekly meetings, raffles, and chip ins have been postponed until further notice. This communique will be posted outside the pro shop and on our website.

**Season Final Meeting:** has been cancelled. We will do a Celebration Welcome Back Brunch in November honoring our member's achievements! Can't wait to see everyone again after these trying times and probably a long summer.

**Keep the golf course open:** we have been requested to adhere to the HOA rules. The pro shop has asked we **check in 20 minutes before our tee time.** When we are finished, leave – no congregating. Only one person needs to turn in the score card. This is not much to ask so that we can continue our league play. Thanks so much for your cooperation.

Remember, if you signed up to golf and are not playing, please cancel with the pro shop. And as always, if you feel sick, please stay home.

**Definition of HOPE:** *Hope is an optimistic state of mind that is based on an expectation of positive outcomes with respect to events and circumstances in one's life or the world at large. As a verb, its definitions include: "expect with confidence" and "to cherish a desire with anticipation."*

Please stay safe.

Glenna Twing, President
