

Good Morning Ladies,

Okay, the heat has arrived, a bit early but for all our members who are used to leaving before summer hits, welcome to our world. Game of the Week: this week we are playing a two-person best ball net score only. You each play your own ball and take the best net score. If you want to post you will need to record the full number of strokes for each player, and then subtract the number of "handicap dots" you have individually. For example, on hole you take a seven with two dots and your partner takes a six with 2 dots – the best net ball is a 4. I am not certain how Travis will do the cards so if it is not marked, on the bottom of the card use a scorecard line and enter a net score for team 1, and another line for team 2 net. Here's the bonus, if you do not want to post your score, you can pick up anytime that you cannot beat your partner. For example, on hole one your partner is on the green in 4 and you are already laying six in the fairway. Pick up and use your partner's score as your best ball net. Another example, you are both on the green in 4 and your partner holes her first putt. Since the best you can do would be tie, pick up your ball and move on. It is going to be very hot so you might want to pick up when ever possible. Just remember to check and see if there are any differences in the about of handicap strokes (dots) for each hole.

Pro Shop Chits: Just a reminder, any monies that you won this year from the Lady 9ers is paid in the form of pro shop credits. You can use these credits at Cottonwood or Palo Verde. These credits need to be used by May 31.

Weekly Patio Meeting: weekly meetings, raffles, and chip ins have been postponed until further notice. This communique will be posted outside the pro shop and on our website. Season Final Meeting: has been cancelled. We will do a Celebration Welcome Back Brunch in November honoring our member's achievements!

Can't wait to see everyone again after these trying times and probably a long hot summer. Keep the golf course open: we have been requested to adhere to the HOA rules. The pro shop has asked we check in 20 minutes before our tee time. When we are finished, leave – no congregating. Only one person needs to turn in the score card. This is not much to ask so that we can continue our league play. Thanks so much for your cooperation. Remember, if you signed up to golf and are not playing, please cancel with the pro shop. And as always, if you feel sick, please stay home.

Thought for the day: If you keep a glass of wine in each hand, you can't touch your face! Stay safe and healthy.

Glenna Twing, President
