

Good Morning Ladies,

Wow – great news Lady 9ers. Des has graciously offered to move our starting tee times up for the rest of the season which is through May. Hopefully this will help get play concluded before the late afternoon heat. Even an hour or two makes a big difference! Travis will let us know if it starts this week or next but be prepared to see an earlier tee time.

**Game of the Week:** this week we are playing the last of the season low gross and low net. This is a postable score so record your entire score for each hole. Adjustments for posting will be made by the handicap chair. This is also a flighted event. The flight you are in may change as we will be using a third of the field for each of the three flights. This number will vary based on the number of players. We will pay the top three places gross and net and in all three flights if we have enough attendees.

**Pro Shop Chits:** Just a reminder, any monies that you won this year from the Lady 9ers is paid in the form of pro shop credits. You can use these credits at Cottonwood or Palo Verde. These **credits need to be used by May 31.**

**Weekly Patio Meeting:** weekly meetings, raffles, and chip ins have been postponed until further notice. This communique will be posted outside the pro shop and on our website.

**Season Final Meeting:** has been cancelled. We will do a Celebration Welcome Back Brunch in November honoring our member's achievements! Can't wait to see everyone again after these trying times and probably a long hot summer.

**Keep the golf course open:** we have been requested to adhere to the HOA rules. The pro shop has asked we **check in 20 minutes before our tee time.** When we are finished, leave – no congregating. Only one person needs to turn in the score card. This is not much to ask so that we can continue our league play. Thanks so much for your cooperation.

Remember, if you signed up to golf and are not playing, please cancel with the pro shop. And as always, if you feel sick, please stay home.

**Thought for the day:** Thought this was pretty funny, "I had a wonderful experience on the golf course today. I had a hole in nothing. Missed the ball and sank the divot. "
