

Good Morning Ladies,

We are winding down with only three more weeks of league play. Thanks for hanging in there with us.

Game of the Week: this week we are playing O-N-E-S. Record your full score on all holes. As usual, our wonderful handicap chair Eden Carter will adjust for posting and our equally great inside tournament chair, Diane Rutowski, will calculate your game score. The following two weeks will be fun non-postable games.

This past week we had twenty players so we only had two flights; 14 and under, and over 15. We had some very close scores and a couple of ties for net. Check the board for winners and our website.

Pro Shop Chits: Just a reminder, any monies that you won this year from the Lady 9ers is paid in the form of pro shop credits. You can use these credits at Cottonwood or Palo Verde. These **credits need to be used by May 31**. Any monies won during the month of May can be carried over.

Weekly Patio Meeting: weekly meetings, raffles, and chip ins have been postponed until further notice. This communique will be posted outside the pro shop and on our website.

Season Final Meeting: has been cancelled. We will do a Celebration Welcome Back Brunch in November honoring our member's achievements! Can't wait to see everyone again after these trying times and probably a long hot summer.

Keep the golf course open: we have been requested to adhere to the HOA rules. The pro shop has asked we **check in 20 minutes before our tee time**. When we are finished, leave – no congregating. Only one person needs to turn in the score card. This is not much to ask so that we can continue our league play. Thanks so much for your cooperation.

Remember, if you signed up to golf and are not playing, please cancel with the pro shop. And as always, if you feel sick, please stay home.

Thought for the day: as my husband use to say, it might be hot but it is better than shoveling snow. Enjoy and stay safe.
