

Good Morning Ladies,

Very impressive turnout last week, we had 35 members take to the heat with some remarkable scores. Good going!

Game of the Week: this week we are playing a team game – select-a-drive. You will all tee off on every hole and pick the best drive. Then everyone places their ball at that location and plays her own ball until the ball is holed.

This past week we had two flights; 15 and under, and over 16. We had lots of ties so there were 17 winners which is 50% of the field. Flight one gross – Eden Carter, flight one net – Jean Nelson. Flight two gross – Jean Moore, flight two net – Carol Healy. For all results check the posting on our board outside the pro shop.

Communications: Just an FYI, our website is fantastic thanks to Kathy Bushbaum. It is: www.cottonwoodlady9ers.com. The login ID is niner – check the front of your directory for the password (clue – something we pay money for during the season if you are off the green and hole your putt, all one word no hyphen.) You can find the latest news, latest winners, and most importantly under the member section find contact information for our members if you do not have your directory with you this summer! How great is that??

Shirts: If you ordered the new niner anniversary shirt I now have them. Call or text me to arrange to pick up. Also, I have a few extras so if you want a shirt let me know as these are the last ones we will be able to get. \$66 shirt for \$25 – limited sizes available.

Pro Shop Chits: Just a reminder, any monies that you won this year from the Lady 9ers is paid in the form of pro shop credits. You can use these credits at Cottonwood or Palo Verde. These **credits need to be used by May 31**. Any monies won during the month of May can be carried over.

The pro shop has asked we **check in 20 minutes before our tee time.** When we are finished, leave – no congregating. Only one person needs to turn in the score card. Thanks so much for your cooperation.

Remember, if you signed up to golf and are not playing, please cancel with the pro shop. And as always, if you feel sick, please stay home.

Thought for the day: “The only thing a golfer needs is more daylight.” *Ben Hogan.*

Obviously Mr. Hogan was not in Arizona in the summertime!
