

Hi Ladies,

HAPPY THANKSGIVING! NO GOLF THIS WEEK! If you want to play sign up on Chelsea but not under the event tab.

Don't forget to check out our website for game results and to sign up on Chelsea for the weekly game: www.Cottonwoodlady9ers.com. The results are also posted outside the pro shop. We did do a blind draw for the teams that did not have four players to even out the playing field. We also had a three-way tie for third place, so we did do a scorecard playoff. Congrats to the winning Cha-Cha-Chas.

If you are new to the Niners we will be setting up a time for you to have your pictures taken for our membership directory. Time and place to be announced.

2020 -2021 dues are officially due December 1, 2020. Please pay by Thursday, December 3 or there will be a \$5 late fee assessed.

Members that had birdies last year can find their birdie pin in an envelope on our bulletin board with your name on it.

And more good news, Sharon has now established with the CW Grill a Thursday drink special. This will be posted, and I will remind you in our weekly communique of the selection!

Finally, our December Christmas party is coming along nicely. We will have more details next week. It is December 17 and we will have an ugly sweater contest so keep that in mind when shopping on Black Friday!

I understand that 2020 has been less than a desirable year but we do have so much to be thankful for. I am thankful and grateful to be part of a wonderful group of Ladies and look forward to when we will all be able to meet together. Also, so thankful for our first responders, police and military. Stay safe and Happy Thanksgiving.
